President of European Society of PRM sent letter to the Professor GALINA Ivanova.

*Dear Chairman, dear Galina,*

*thanks for the perfect organization and the warm welcome I have benefitted, as president of the European Society of PRM, together with my friends current, past and future presidents of the three other European PRM organizations\*. I have been impressed by the high scientific quality of this congress and by the respect you inspire to all the PRM specialists in the Russian Federation. All are involved under your guidance to a new modern organization of our specialty in your so big country.*

*Thanks for giving me time during the opening ceremony to present, in the main hall full up of Russian PRM specialists, the organization and activities of the ESPRM.*

*Be sure that ESPRM, as the other European PRM organizations will be supporting your efforts in all the fields of our specialty.*

*Keep in mind that I shall be honored to sign a letter of intention to cooperate with a research organization from your country, when it will fit you the best.*

*Please tell all the members of your organization who have taken care of us during these days my personal thanks for their kindness and efficiency,*

*Kind regards,*

Alain Delarque
